Literally...Is this the image RAP and city wants portrayed for Runyon Canyon Park ?

Smoke a little weed, shoot some hoops.. and now a Shmoplife (Shmop) tee shirt from the Runyon Canyon basketball court fellows. All is good and right.. *right* ?
as termed "the weed house" and Runyon did used to be a private home..

Incuse you aren't familiar with the term Shmop, see below, check out the Pink Dolphin 2016 clothing line

FYI the below email was received by me a short while ago. People are becoming concerned about gang activity because of the publicity generated by this company, not by any other cause.

It is inappropriate for people who show concern to be called racist. It is an inappropriate use of that terminology and is quite unfair. The community members are also being called elitist. Also untruethe biggest issue for most people is the lack of awareness, and transparency.

I realize you know this and agree, I just want to make sure my forwarding you Info to keep you up-to-date is not misconstrued.

Thank you, Sara.
